Dear Parents,

You may know that St. Clare Catholic Academy has been participating in the E-rate program for the past 17 years. The E-rate program is a Federal program which provides schools and libraries across the country with substantial discounts on their technology services.

These discounts reduce the costs of our telephone service, Internet access, and the internal connections we use to build and maintain the computer networks that link our classrooms. The size of the discounts which we receive is based on the income level of our student's families. Our local public library also benefits since it shares our discount rate. Discounts also save the district and taxpayers a substantial amount of money.

We need your help qualifying for the largest discount allowable by providing us with some very general information. Please take a minute to fill out and return the attached survey to Mrs. Hegmann in the School Office. ***This information will remain confidential and will be reported only as a total group, not by individual families, and will not be used for any purpose other than E-rate.***

Thank you for your participation in helping St. Clare Catholic Academy stretch its resources to best serve all our students. If you have any questions, please call our office at 718-528-7174.

Thank you for your cooperation,

Mary Rafferty-Basile
