Dear Parents/Guardians,

At the beginning of every month, students will be given a reading log and book report that they must complete at the end of the month. Please encourage your child to read at least twenty minutes per day, for at least fifteen days out of the month. When the students hand in their reading logs at the end of every month, I will be checking to see if the students read for at least 300 minutes for that month. Students will also hand in their book reports at the end of each month. Students should not be waiting until the end of the month to complete their book reports. Therefore, encourage your child to work on his or her book report throughout the month. Lastly, if a student misplaces his or her reading log or book report, I have posted it on my class page.

Sincerely,

Ms. Abatelli
