

Dear Students,

Welcome to 5th Grade! I can't begin to tell you how excited I am to have you in my class this year. This year will be packed full of learning adventures that I hope will be both exciting and challenging. I expect each and every one of you to try new things, ask for help and never give up. Those will be the key ingredients to your success in this class. This year we will be finding adventure in class novels, becoming scientists investigating hidden worlds, discovering our nation's elaborate history, and using manipulatives to master math skills. There will be a lot of learning going on in this classroom for all of us! Please bring a kind heart, a positive attitude and a willingness to learn and discover new things. I look forward to sharing the year with you. Together we will explore the world and make many exciting and interesting connections. I am looking forward to getting to know you all better!

Sincerely,

Fifth Grade Teacher
