

Dear Students,

If you are a returning SCCA student, please be sure to complete the four math assignments that have been assigned to you on iReady before the beginning of the school year. If you are a new student, please review the following math concepts listed below. A great resource to use to review these math concepts is [khanacademy.org](https://www.khanacademy.org).

1. Interpret & Evaluate Expressions
2. Understand Place Value
3. Adding & Subtracting Fractions
4. Multiply & Divide Fractions
5. Read & Write Decimals
6. Adding & Subtracting Decimals
7. Multiply and Divide Decimals

Have a great summer!
