

Summer 2021

Dear Parent/Student,

Welcome to Junior High at St. Clare CA. My name is Mrs. Atangan and I will be your Junior High Math Teacher. During the summer, it is a great idea to review your topics prior to September. You should be fluent in your multiplication facts as well as adding, subtracting and dividing. In order to keep your skills sharp, please use www.ixl.com. Please **DO NOT** become a member. You are able to practice 10 questions for free every day.

Entering 6th Grade – Please review all 5th Grade Topics

Entering 7th Grade – Please review all 6th Grade Topics

Entering 8th Grade – Please review all 7th Grade Topics

Looking forward to learning with you in September!

Mrs. Atangan
