

June, 2021

Dear Third Grade:

I want to congratulate you on completing another milestone on your journey to success and to welcome you to third grade where the opportunities to succeed are endless. I am elated to be your teacher this year and anticipate an exciting year filled with awesome learning adventures!

In preparation for third grade, I encourage my parents to continue to review concepts that will build your child's literacy and numeracy skills. Visit **[engageny.org](https://www.engageny.org)** for useful resources relevant to 3rd Grade. I encourage you to take advantage of reading programs offered at the public library that would help to accelerate your child's reading fluency.

I wish for you a safe and enjoyable summer! See you in September!

Sincerely,

Kayla Nembhard
3rd Grade Teacher

Summer Reading

Dear Parents/Guardian:

Students entering Third Grade will be required to complete the assigned Reading task and numeracy review skills.

Choose **one** book from **two** different series for a total of two books. Choose from these series:

Judy Moody by Megan McDonald

Goosebumps by R.L. Stine

Horrible Harry by Suzy Kline

Whoosh: Lonnie Johnson's Super Soaking Stream of Inventions by Chris Barton

Cam Jansen by David A. Adler

Numeracy Skills to Review

- Read and write numbers to 1000 using base-ten numerals, number names, and expanded form.
- Add and subtract within 1000
- Skip count by 2, 3, 5, 10
- Tell and write time from analog and digital clocks to the nearest five minutes
- Use a ruler to measure an object to the nearest inch or centimeter.
